

SERenderService

```
classDiagram
    class SERServiceInternals["SERenderServiceInternals< T >"]
    class SERService["SERenderService"]
    SERServiceInternals --|> SERService
```

The diagram illustrates a generalization relationship. At the bottom is a gray-shaded box labeled "SERenderServiceInternals< T >". A blue arrow points upwards from this box to a white box at the top labeled "SERenderService".

SERenderServiceInternals< T >
