

SETestApp2

```
graph TD; A[SETestApp2] -- 13 --> B[inc];
```

A diagram showing a call from a box labeled 'SETestApp2' to a box labeled 'inc'. A vertical arrow points from the bottom of the 'SETestApp2' box to the top of the 'inc' box. The number '13' is positioned to the right of the arrow, indicating the argument passed to the 'inc' function.
