

SETestApp1

```
graph TD; A[SETestApp1] -- 15 --> B[inc];
```

A diagram showing a call from a box labeled 'SETestApp1' to a box labeled 'inc'. A vertical arrow points from the bottom of the 'SETestApp1' box to the top of the 'inc' box. The number '15' is placed to the right of the arrow, indicating the value passed in the call.
